7	8803	0.2	100.0	24.3	100.0
Total	4822445	100.0	100.0	100.0	100.0

Lorenz curve

* Net worth according to tax collection 2008.
 Claims against pension funds are excluded because they are not taxable. In addition,
 real estate is taxed below market value.

GINI-coefficient (2008): 0.846 (1997: 0.833)
