

Balance of payments

UK, 2020, £ million, not seasonally adjusted

Equation:

$$\text{Financial account} = \text{Current account} + \text{capital account} + \text{net errors and omissions}$$

in numbers: $- 64439 = - 56751 - 2530 - 5158$

* minus sign (-) 'Financial account':
Surplus of imports of investments
